Specific or material risks for this patient:

COVID-19: In the majority of people, COVID-19 causes a mild, self-limiting illness. However, some people get a more severe form of the disease and it is important you understand your specific risk.

We cannot guarantee zero risk of COVID-19 transmission.

For more information: www.gov.uk/coronavirus

Health Professional: I assess that this patient has capacity to give valid consent. I have discussed what the procedure is likely to involve, the benefits and risks of this and of any available alternative treatments. I have also discussed the option of no treatment and any particular concerns of this patient. The patient has been given the opportunity to ask questions. I have provided the **Intravitreal injection leaflet**.

Signed _____ Date _____

Name _____ Job title _____

Patient: Please read this form carefully, it describes the benefits and risks of the treatment. **You will be given a copy of this form** to keep and a copy of an information leaflet about intravitreal injections.

Please ask for a leaflet if not offered one. If you have any further questions, do ask – we are here to help you. You have the right to change your mind at any time, including after you have signed this form.

I agree to the procedure described on this form.

I understand that you cannot give me a guarantee that a particular person will perform the procedure. The person will, however, have appropriate experience.

I understand that any procedure in addition to that described on this form will only be carried out if it is necessary to save my life or to prevent serious harm to my general or eye health.

Patient's signature _____ Date _____

Name (PRINT) _____
